

CELEBRATE

# Earth Hour

March 25, 2017 \* 8:30 pm - 9:30 pm

**Earth Hour** is the world's largest grass roots movement for the environment.

Currently, in its 11th year with over 7000 cities and 172 countries and territories taking part.

A reminder that small actions on climate change can combine to have a big impact.

## Join the Movement

Turn off your lights and commit to climate action for the rest of the year.

Use **#YourPower** at [earthhour.org](http://earthhour.org) and get involved.

Brought to you by your local electricity distributor, Midland PUC
